L'ENPCONSTANTINE:  
A NEW SCHOOL FOR ENGINEERING STUDIES  
FOUNDED IN 2011  
FIRST STUDENTS IN 2014  
IT IS PART OF A NETWORK OF SCHOOLS  
OF ENGINEERING  
ENPALGER  
ENPORAN...

# SCHOOLS OF ENGINEERING

## ECOLE D'INGENIEURS

### THE OLDEST :

- Ecole polytechnique d'ALGER
- Ecole des travaux publique Alger
- Ecole des mines et de la métallurgie ANNABA
- Ecole d'hydraulique Blida
- Ecole polytechnique d'ORAN (EX ENST)

### RECENT

Ecole polytechnique Constantine

« MORE » RECENT

Ecoles d'ingenieurs de: Alger, Tlemcen, Oran and Annaba

# organisation of ENGINEERING studies

➤ AFTER BACCALAUREAT 2 YEARS OF GENERAL STUDIES AT ECOLES PREPARATOIRES: 12 NATIONWIDE

There is an « ECOLE PREPARAOIRE INTEGREE » AT ENPC

➤ SINGLE NATIONAL COMPETITIVE EXAMINATION

➤ LAUREATES : 3 YEARS OF STUDIES AT ONE OF THE SCHOOLS OF ENGINEERING

# ENP CONSTANTINE

- THEORITICAL CAPACITY 4000 STUDENTS
- NOW CIRCA 700 STUDENTS
- 55 STAFF

# ENP CONSTANTINE

## THE DIRECTIONS:

- RELEX, COMMUNICATIONS
- STUDIES ON GRADUATION AND DIPLOMAS
- POST GARD

# THE DEPARTMENTS

- CHEMICAL ENGINEERING
- ELECTRICAL ENGINEERING
- MATERIAL ENGINEERING
- MECHANICAL ENGINEERING

# L'ENP CONSTANTINE

RELEX

RELEX

COMMUNICATION AND  
INFORMATIONS

# *Role of ENPC in the MEDCARR*

The ENP CONSTANTINE will participate in all the phases of the project. In the first phase, we will participate in the definition of the common qualification framework for the partner countries ESPs

# *Role of ENPC in the MEDCARR*

Setting up the common qualification framework for the PCs' ESPs and the standards and guidelines for the QA of the PC ESPs.

- We will be involved in producing the documentation at the different phases of the project.

# *Role of ENPC in the MEDCARR*

- Together with the other Algerian involved in the project:

- ▣ we will organize the national workshop on EUR-ACE Accreditation

carry out the Trial Accreditation of ESPs of Algeria and the EUR-ACE accreditations,

be involved in the creation of the Algerian Accreditation Agency/Centre for the EUR-ACE accreditation of the Algerian ESPs

# *Role of ENPC in the MEDCARR*

Pr Khaled Belarbi is the director of the external relation and communication, DERC, at the ENPC. He holds a PhD in automatic control from the University of Manchester Institute of sciences and Technology, UMIST UK (1987). Prior to joining ENPC, he was with the university of Constantine, department of electronics, where he held different position: chairman of the scientific committee, head of the research laboratory in automatic control (15 researchers)...

Pr Belarbi has participated in the 1990' in setting up program courses in electric engineering at the national level.

He was member of program accreditation committees for magister and master. He is now member of the CPNE ST, the national pedagogic committee for engineering programs which is the body that delivers agreements for the engineering courses.

Recently, to He has participated

# *Role of ENPC in the MEDCARR*

Pr Djallel Bouzid is the registrar and director of graduation studies. He holds a PhD in Chemical engineering from the INSA LYON, France (2003). From 2004 to 2006 he was **Chargé de recherche at CNRS-LCPP** (Villeurbanne, France). Before joining the ENPC in 2012, he was with the University of Constantine at the department of Chemical engineering(2006 2012) . His main research interest is the pharmaceutical and polymer processes. He has published a number of papers in this field.

Pr Bouzid has participated in setting up program courses in chemical engineering.

He is member of the CPNE ST, the national pedagogic committee for engineering programs which is the body that delivers agreements for the engineering programs

# *Role of ENPC in the MEDCARR*

DR SEMMARI holds A PhD in the field of renewable energy, from the university of Perpignan, France, 2012.

He is the head of the external relations section at the DERC and as such has many links with the industrial and enterprise sectors and with universities. He is involved with OTH R Regensburg, Germany in an ambitious project, Positive energy building, in the field of renewable energy. He has close links with the university of Perpignan, France.

Dr Semmari has organised two workshops, the first on the relationship between the ENPC and the industry with the participation of more than thirty enterprises and the second on intellectual property and patents in collaboration with the World Organisation of Intellectual Property, Genève, Suisse and Institut National Algérien de la Propriété Industrielle (INAPI

# *Role of ENPC in the MEDCARR*

TAJ BELAKROUM holds a docteur ingenieur (magistere) degree in electronics

He was the vice rector of the university of Constantine in charge of

Orientation, development and prospective from 1993 1998.

During his position, he managed a number of projects related to equipments acquisition, planning infrastructures development... He managed a multi millions World Bank loan for equipments acquisition and staff training.

He is now with ENPC where he has been working on the project the SYSTEME d'Assurance Qualité dans les établissements d'Enseignement Supérieur (CIAQES)

# Thanks
