

# UNIVERSITY OF TUNIS

## HIGHER NATIONAL ENGINEERING SCHOOL OF TUNIS

**Pr. Ahmed Ben Cheikh Larbi**  
**Pr. Sofiane Kacemi**

February 2018

MEDACCR University of Genova

# University of Tunis

2

## specialties

- **15 components**
  - **Humanities and Social Sciences**
  - **Arts**
  - **Science and Technology**
  - **Management and finances**
  - **Science of Education and Culture**

## some indicators

- **30,000 students.**
- **66% of them are girls**
- **4000 graduates**
- **40 research laboratories**
- **600 teachers**

# Higher National Engineering School of Tunis

3

## Specialities

- Civil Engineering
- Mechanical Engineering
- Electrical engineering
- Industrial Engineering
- Computer Engineering
- Mathematical engineering

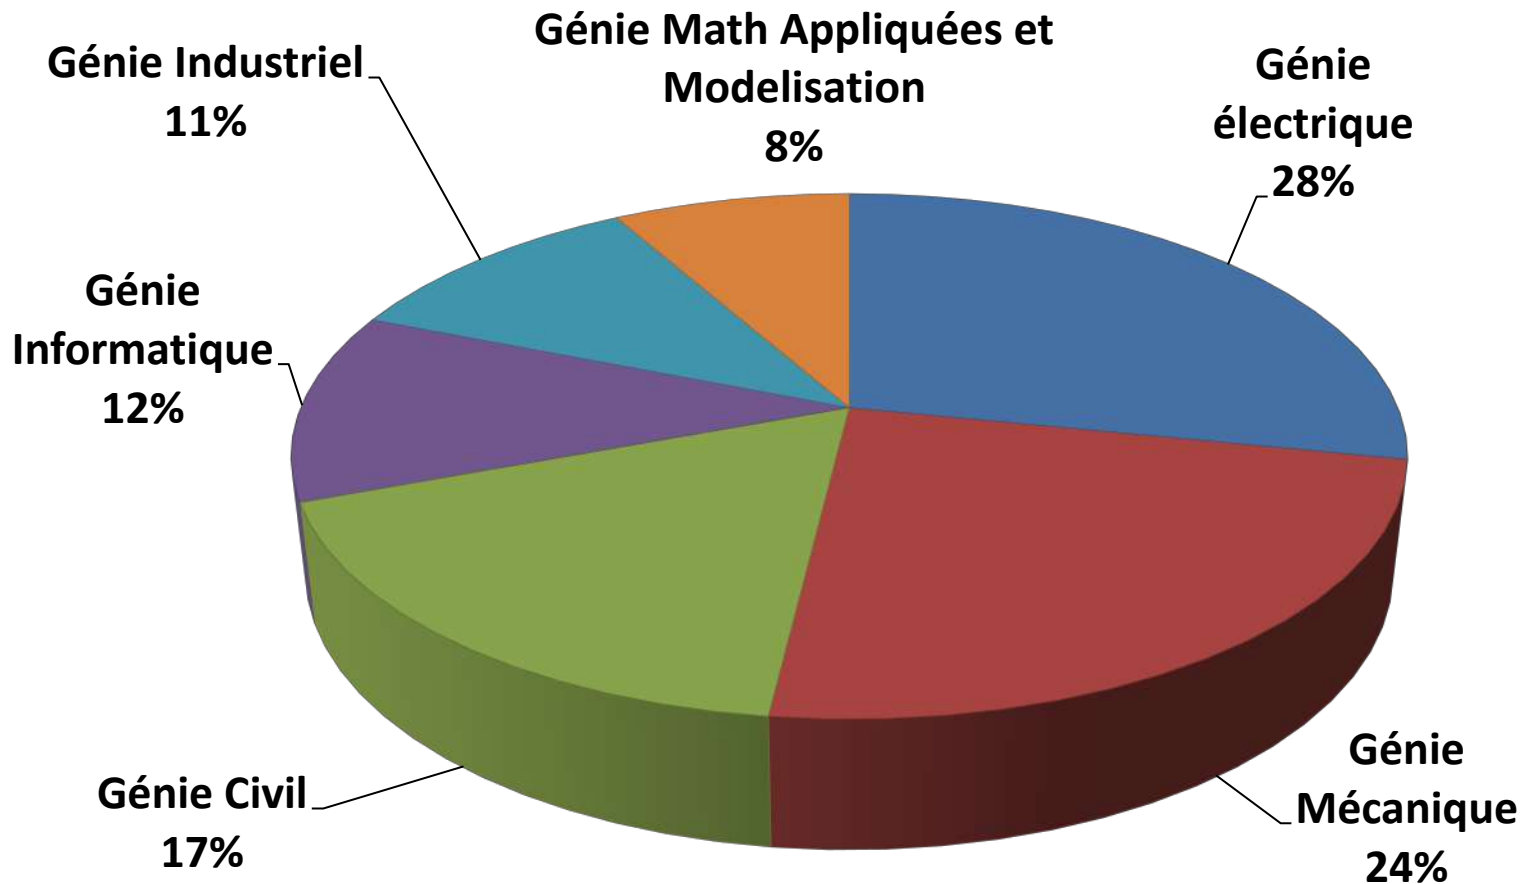

## Some indicators

- 1 000 Students
- 300 graduates
- 1 50 permanent teachers
- 1 30 administrative and technical staff
- 10 laboratories
- 250 doctoral students

# Higher National Engineering School of Tunis

4

## Formation académique

# Higher National Engineering School of Tunis

5

## International relations

ERASMUS mobility ECAM Belgium -

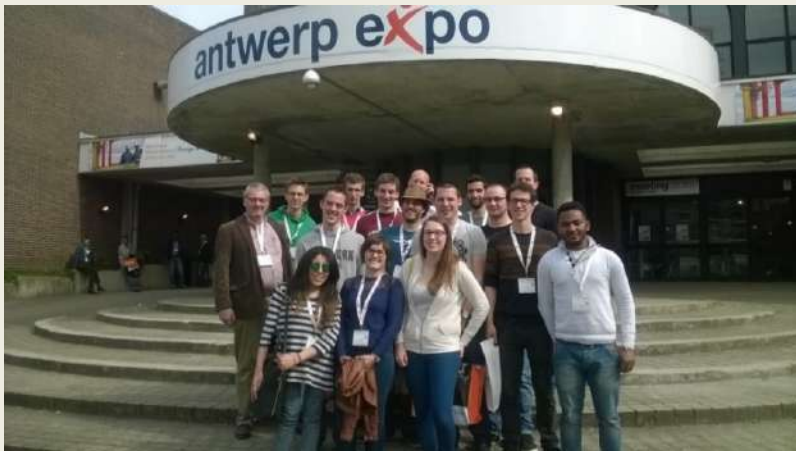

Double degree relationships ENSAM

Doctoral thesis co-supervisory Conventions

# Higher National Engineering School of Tunis

6

# Higher National Engineering School of Tunis

7

## Quality assurance

- 2008 Tunisia created a legal framework for quality assurance in universities
- internal quality assurance committee
- first internal evaluation
- 2006 Tunisia created the « Quality Support Project - PAQ »
- financial and logistical support to improve the quality of training

# Higher National Engineering School of Tunis

8

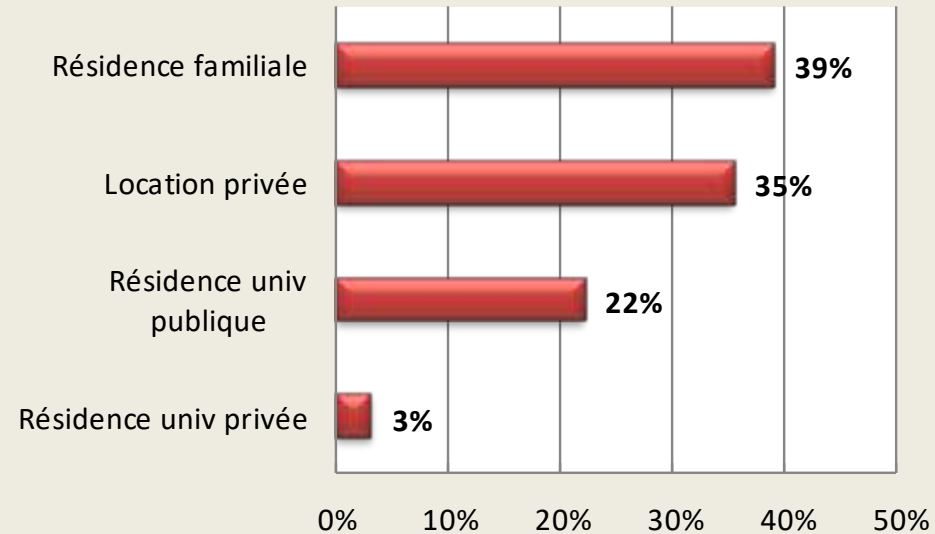

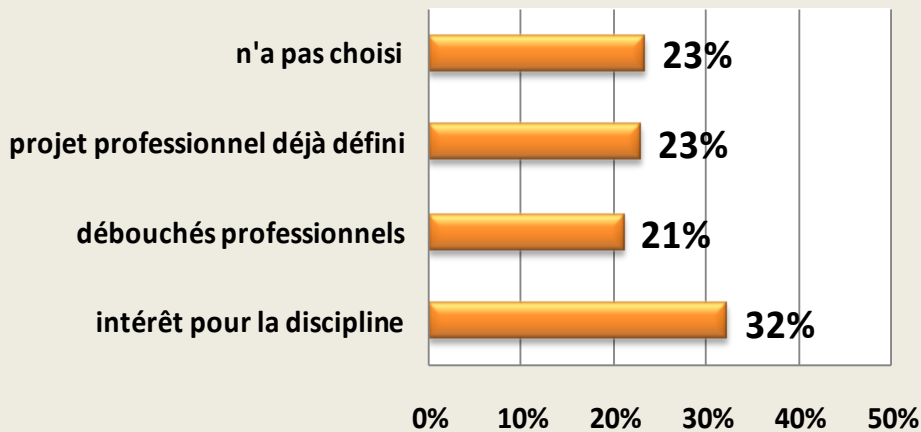

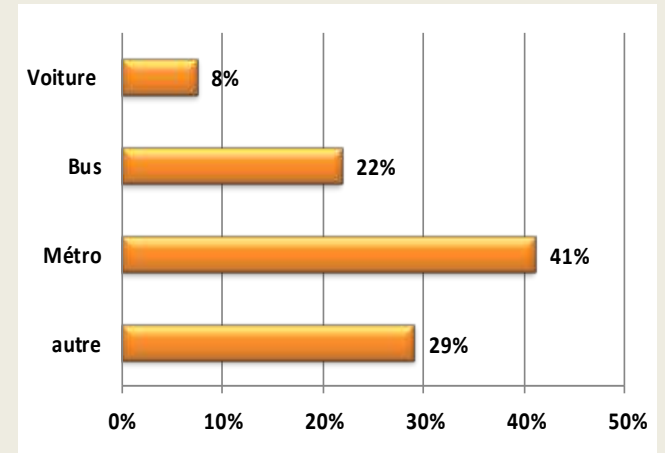

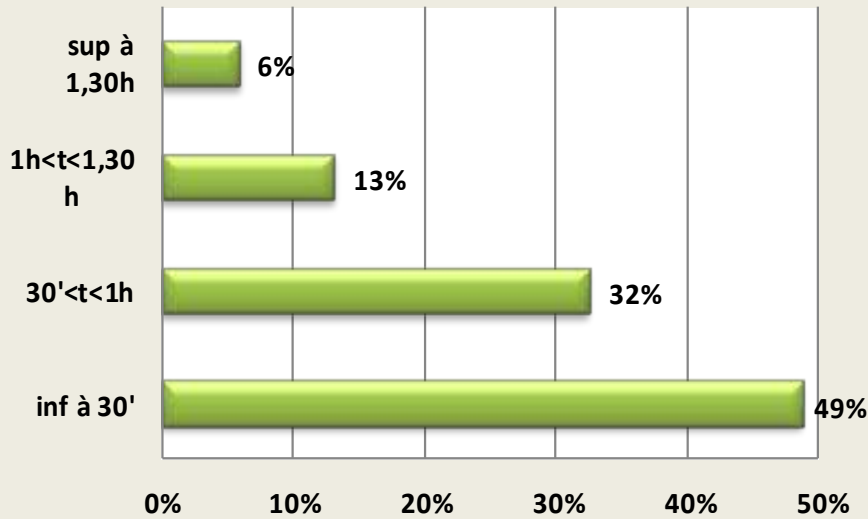

## Quality Assurance

- AQI-UMED Tempus 2009-2012
- strengthening of internal Quality Assurance
- Referential for internal evaluation for ten Maghreb universities
- Referential is both qualitative and quantitative
- Opinion surveys of students

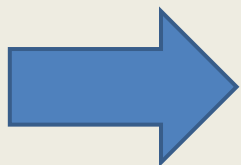

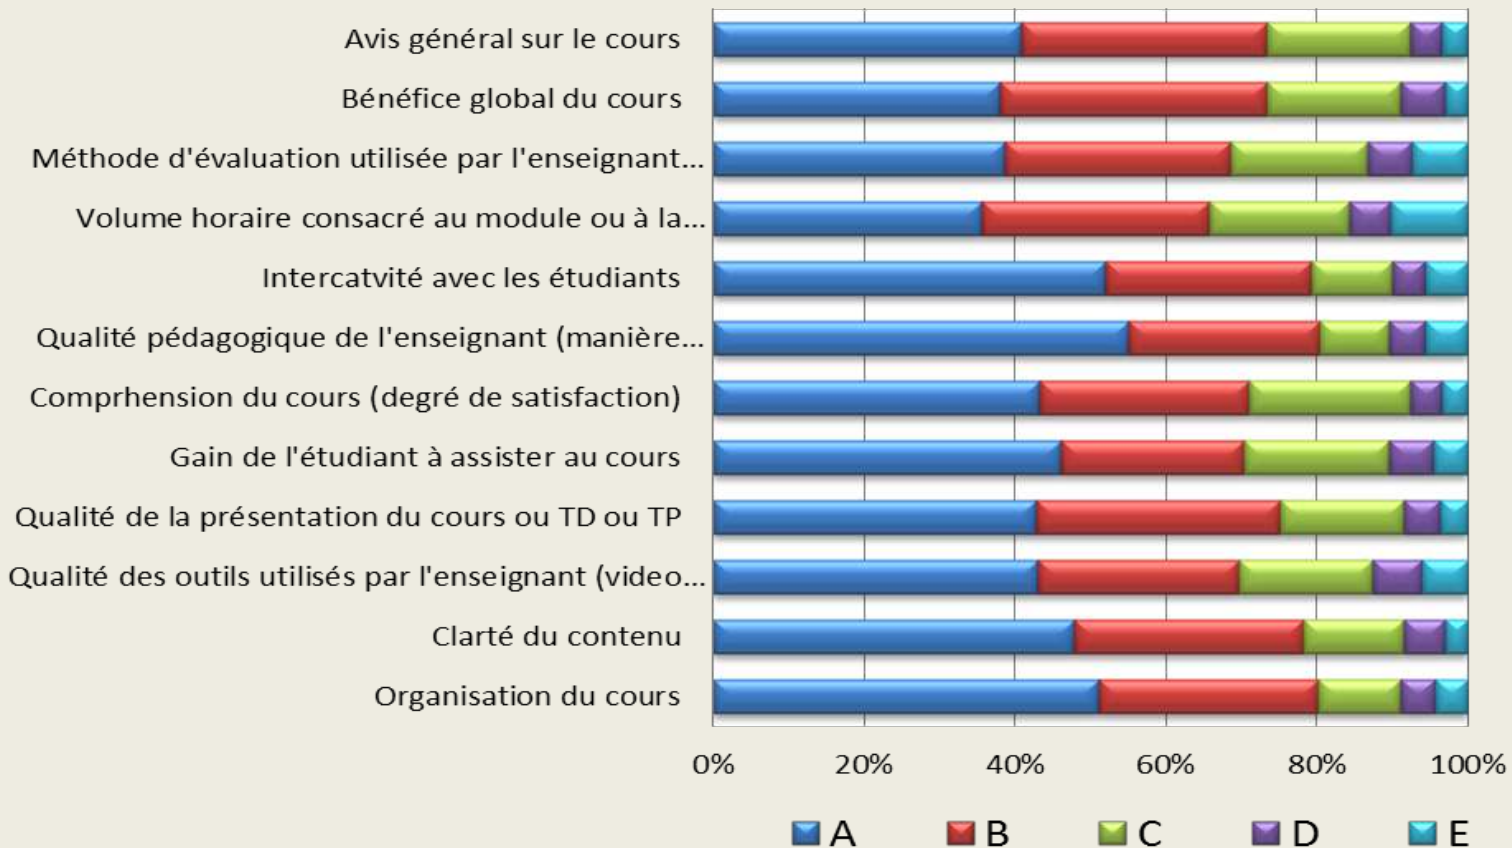

# Higher National Engineering School of Tunis

9

# Higher National Engineering School of Tunis

10

**ENSIT we have a core of academics who are well engaged in quality assurance**

# Higher National Engineering School of Tunis

11

## INTERNATIONAL ACCREDITATION

- International accreditation has become a high priority
- Main objective in all schools of public or private engineers
- ENSIT Internal Quality Assurance committee is preparing to achieve this goal

# Higher National Engineering School of Tunis

12

INTERNATIONAL ACCREDITATION

- RMEI Mediterranean Network of Engineering Schools

- First symposium on accreditation in engineering schools : MEDACCRID avril 2017 Hammamet TUNISIA
- Introduce the concept and mechanisms of international accreditation

# Conférence MEDACCRID

13

# **RMEI News**

14

Invitation to participate

**MEDACCRID 2**

**April 26-27, 2018**

**Marrakech - MOROCCO**

## ENGAGEMENTS

- ❑ Actively participate in all stages of this project
- ❑ offer the possible means to participate in its success
- ❑ the dissemination of its results

16

Welcome in TUNISIA

Thank You
