Virtual Learning Environment (VLE)

We own and manage a **virtual infrastructure**

We developed a **Learning as a Service** paradigm

Our environment is **privacy proof** and compliant with **National rules**

Quality Assurance (PQA) & Accreditation (IREC) systems

eCampus two **institutional bodies** to operate the quality assurance system and an accreditation system:

- **PQA** - University quality supervision
- **IREC** - International Relations and Erasmus Committee

eCAMPUS
UNIVERSITÀ

China

Turkey

Contribution to achieve the MEDACCR objectives

MEDACCR Objective	eCampus Contribution
Design of student-centred Engineering Study Programmes	IREC <i>International Relations and Erasmus Committee</i>
Align internal QA to the European Standards	PQA <i>University quality supervision</i>
On-line documentation of our QA	Website, VLE <i>Virtual Learning Environment</i>
Disseminate the project results	SMARTEST <i>Smart Engineering Solutions & Technologies</i>
